

OUR MISSION

LeSEA Global Feed The Hungry exists to fight hunger due to poverty, war, drought, and natural disasters.

Since 1987, the ministry has operated in more than 92 nations through a network of partner ministries and dedicated affiliates around the world.

Built on a pastor-to-pastor, church-to-church relationship model, Feed the Hungry seeks to link Christians from the developed nations with Christians in the developing world.

Through food and the Gospel of Jesus Christ, many of the world's most vulnerable persons now know that a full life feels good.

LeSEA Global Feed The Hungry is audited annually by the independent firm of Stanfield & O'Dell, PC. Our organization is also required to file comprehensive financial information by the IRS. These documents are available at feedthehungry.org

Donor Impact Report 2018

LeSEA Global
FEED THE HUNGRY
A full life feels good.

A Full Life Feels Good.

Celebrating the Good Things God Has Done!

"The Lord has done great things for us, and we are filled with joy!"

Psalm 126:3

From small beginnings in 1987, friends and partners of LeSEA Global Feed The Hungry have given to children and families around the globe. 2018 marked a significant year with milestones that our founder, Dr. Lester Sumrall, envisioned when he received his mandate from God to answer the prayers of those who cry out "give us this day, our daily bread."

2018 was a year filled with Celebrating 30 Years of ministry!

The Every Child Every Day ministry reached over a quarter-million children with hot, nutritious meals.

Charity Navigator awarded LeSEA Global Feed the Hungry, Inc. a 4-star rating, their highest honor based on ministry transparency and fiscal responsibility.

Close to 100 Pastors and Children's Ministry Workers were trained by Feed the Hungry staff to share Bible Stories and the message of Salvation.

With support from donors, churches, ministry friends, field directors, pastors, missionaries and countless volunteers, the vision of seeing one million of the world's most vulnerable children find food and a future in Christ is possible. Thank you for your part in the impact made on earth and in heaven! We are truly filled with joy!

Because a full life feels good,

Stefan Radelich
