A tax exempt organization must make its signed annual form available for public inspection for three years from the extended due date of the return. We have provided you with an extra copy of the return(s) for this purpose.

There is no tax due with the filing of this return.

Do NOT separately file Form 990 with the Internal Revenue Service. Doing so will delay the processing of your return. We must receive your signed form before we can electronically transmit your return, which is due on or before November 15, 2021. We would appreciate you returning this form as soon as possible as this will expedite the processing of your return. The Internal Revenue Service will notify us when your return is accepted. Your return is not considered filed until the Internal Revenue Service confirms their acceptance, which may occur after the due date of your return.
